

WHAT WE DO!

RWSI is a member-based not-for-profit organization that works to protect its beneficiaries from the risks of being exposed to unemployment, IT gaps, absolute poverty, illiteracy, lack of basic skills, inadequate healthcare infrastructure and supplies, and market entry barriers.

Training Support

Every year, we train 130 artisans, 80 tailors, 150 dairy farmers, 150 goats keepers, 110 poultry farmers, 170 welders, and 160 mixed farmers.

Target Audience

We work to align our mission with the livelihood of poor kids, orphans, disabled kids, single mothers, youth and the elderly. As we promote businesses, we believe that a hand helped now can definitely help more hands (kids and youth) in future.

Member-based Healthcare Services

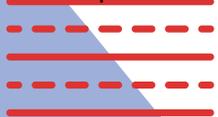

We work to improve the health and wellness of our Members through our Healthcare Services. We aim to strengthen and expand the reach of our healthcare in order to cover more Members through provision of reliable and efficiency healthcare services.

Networking & Online Directory

We offer website pages with individual sub-domain and space on our Online Directory Platform to businesses with or without websites in a bid to enhance their credibility and trustworthiness; improve their online visibility and authority; help them generate more leads and increased sales; build brand recognition and exposure; enhance customer service and promote products and services

Sponsorship Scheme

We seek sponsorship opportunities in the interest of the vulnerable children in order to enrich their lives now and lay the foundation for a brighter future. –for both themselves and their communities as they break out the vicious circle of poverty and free children to dream bigger. You, too can get a chance to join us support the vulnerable children and partner with them in their dreams for the future; to come alongside their families as they face the joys and challenges of daily life and to be encouraged by the unique and meaningful relationship sponsorship creates.

Childcare Home

We directly take care of 28 vulnerable children with daily upkeep through our Childcare Home.
